PAINTING GUIDE **1** 192nd Tank Battalion. Phillippines, Luzon, 1941.

PAINTING GUIDE **2**
General Patton's Tank. Desert Maneuvers.
California Summer 1942.

UWAGA

Przy stosowaniu kleju i farby wszystkie prace należy wykonywać w przewiewnym miejscu z dala od źródeł ognia. Oddziel części od wlewków nożem lub innym ciętym narzędziem. Oczyszcz lampę błyskową i wytnij punkty pilnikiem igłowym i papier ścierny. Złóż modele zgodnie z schemat montażu. Dla ułatwienia montażu każda część jest oznaczona numerem. Po złożeniu zestawu mogą pozostać niewykorzystane części.

CAUTION

When you use glue or paint, do not use near open flame, and use in well ventilated room. When you take parts off from the runner frame, use modelling scissors or cutter. See the bottom of this column for the meaning of symbols. Extra details can remain after assembling of the kit.

УВАГА

При використанні клею та фарби всі роботи проводити подалі від джерел вогню у приміщенні, що добре провітрюється. Деталі відокремлювати від лінійки ножем або іншим ріжучим інструментом. Зачистити обійми і місця зрізу за допомогою наждачка та наждачного паперу. Будувати моделі виконувати згідно зі схемою. Для зручності побудови кожна деталь позначена номером. Після складання можуть залишитися невикористані деталі.

ATTENZIONE

Non usare colla e vernice vicino a fiamme esposte, e aprire le finestre di tanto in tanto per cambiare l'aria. Quando si staccano parti dal carrello, usare forbici da modellismo e eliminare la plastica in eccesso con un coltello o una lima. Vedere in fondo a questa colonna per il signifi. Dopo l'assemblaggio possono rimanere parti inutilizzate.

ATTENTION

Ne pas utiliser de colle ou de peinture à proximité d'une flamme nue, et aérer la pièce de temps en temps. Pour retirer les pièces hors du cadre, utiliser des ciseaux spéciaux pour maquette le plastique en excès avec un cutter ou une lime. Voir la fin de cette colonne pour la signification des symboles. Après l'assemblage peut rester des pièces inutilisées.

ZUR BEACHTUNG

Kleber und Farbe nicht nahe von offenem Feuer verwenden und das Fenster von Zeit zu Zeit zur Belüftung öffnen. Zum Abschneiden der Teile vom Verbundstück eine Modellierschere verwenden und die überstehenden Plastikteile mit einem Messer oder einer Feile beseitigen. Die Bedeutung der Symbole finden Sie unten in dieser Spalte. Nach dem Zusammenbau des Modells können einzelne Teile übrig bleiben.
